Mr. J. V. Tarver, assistant auditor  
of the Ocala Northern Railway, has  
been in Atlanta on a short business  
trip for a few days.

Mr. John T. Lewis and John T.  
junior, merchants of Oklawaha, are  
in the city today on business. The  
latter will in a few days enter the  
Ocala Business College for a com-  
mercial course of some months.

Some evil-minded person cut his  
way into L. W. Harley's store last  
night and carried off a quantity of  
goods. Entrance was made from  
the back. The robbery was discov-  
ered this morning by two of the  
Western Union messenger boys, who  
noticed the hole in the back window.  
A large pair of pliers, evidently  
used in making entrance, was found  
nearby.

Dr. von Engelken scolds the Star  
for sympathizing with Serbia. He  
says that Russia, which is backing up  
Serbia, is the party really at fault.  
The doctor is well posted on Euro-  
pean affairs, and the Star is willing  
to concede that he knows more  
about the matter than it does.

Capt. R. D. Harrison returned  
Tuesday from a visit to his daughters  
in Marion county and Lakeland. Mrs.  
Weathers and Mrs. George. He re-  
ports that crop conditions are much  
better in Marion county than he ex-  
pected to see.—Leesburg Commer-  
cial.

Mr. Frederick Pfeifer, brother of  
Mrs. F. G. B. Weihe, left this after-  
noon for Philadelphia, where he will  
remain till cold weather. He will  
have a position with an electrical  
house. Mr. Pfeifer has many friends  
here who will miss him during his  
absence.

Mr. Allan Walkley is in the city  
from a lengthy business trip through  
the southern and western states. Mr.  
Walkley will be at home for some  
time while working in his Florida  
territory. He says business in this  
state is better than in most of those  
he visits.

Jack Galloway had the misfortune  
to lose several teeth this morning  
while working with a tire at the Da-  
vies tire shop. He was engaged in  
taking off a rim when it flew out and  
struck him in the mouth, severely  
cutting his upper lip, knocking out  
two teeth and loosening several  
others.

## SILVER MEDAL MUSICAL CONTEST

The following notice was read in  
the churches yesterday: There will  
be a silver medal musical contest at  
the Methodist church Thursday night  
at 8 o'clock. This will be a novel  
contest affair as there will be seven  
or eight quartets contesting for  
honors.

Mr. Cecil Robertson, Florida's  
traveling Cadillac agent, was a guest  
at the Harrington last night, arriv-  
ing in the afternoon from Lake City.  
He made the trip in four hours, com-  
ing in a seven-passenger car.

Marcus Fore is the first person on  
record to get into trouble by going  
thru the K. of P. lodge room. He  
climbed into the said room thru the  
goat's pasture last Wednesday night,  
the goat being asleep at the time,  
and let himself down thru one of the  
windows on the roof of Pedrick's sa-  
loon, into which he made his way  
thru the skylight. He abstracted  
\$25 from the cash drawer and made  
his escape, but was captured the  
next day, owned up and is now in  
Mr. Chalk's hotel. Mr. P. D. Odell  
was instrumental in the capture, and  
anybody who looks at Mr. Odell  
realizes that only a racehorse or a  
greyhound could get away from him.

Mr. W. C. Blanchard, after spend-  
ing Sunday in the city with his fam-  
ily, returned last night to Eastlake,  
to finish the contract he has there.  
Mr. Blanchard is a skilled and con-  
scientious builder, and is kept busy.

## HARD ROW TO HOE

Big Suit Begun Against the New  
South Farm and Home  
Company  
(Palatka Item)

Shortly after noon Thursday papers  
were filed in the office of the  
clerk of the federal court at Jack-  
sonville, action having been brought  
in the United States district court,  
southern district of Florida, by Wil-  
liam W. Crawford, trustee, against the  
New South Farm & Home Co. The  
bill of complaint is filed by Bis-  
bee & Bedell of that city.

According to the allegations set up  
in the bill of complaint, a deed of  
trust was drawn up, a first mortgage,  
which was given by the New South  
Farm & Home Company to William  
W. Crawford, trustee, the deed of  
trust being dated December 12, 1912,  
and executed March 6, 1913, by de-  
fendant to secure 1000 of its cor-  
porate bonds, each in the sum of  
\$1,000, a total of \$1,000,000.

The suit instituted is brought for  
the alleged failure of the defendant  
company to meet the interest due on  
coupons, as alleged in the bill of  
complaint.

The property involved is a large  
acreage of lands in Clay, Putnam  
and Marion counties, in this state.

If you see Ed. Haley towing a big  
slab-sided mule down the street don't  
think he has gone to farming. He  
just swapped an automobile for a  
bunch of Missouri canaries.—Clear-

# THE MARKETS

## STOCKS FEEL THE WAR SCARE

But Are Steady in Comparison with  
those of European Bourses

New York, July 27.—Stocks showed  
losses of from one to three points  
today, but were steady compared to  
the violent declines in European  
financial centers. They showed a ten-  
dency to further declines.

## NAVAL STORES

New York, July 27.—Turpentine,  
48½ to 49. Rosin, \$4 to \$4.10.

## COTTON

New York, July 27.—Cotton was  
nervous, 10 to 21 points lower. Au-  
gust 11.90; October 11.98; Decem-  
ber 12.17.

## PROVISIONS

Chicago, Ill., July 27.—September  
wheat 84½; pork \$20.04; lard  
\$9.55; ribs \$11.90.

If a few more of the electric globes  
on the arches across Broadway go  
out, it will take red lanterns to keep  
what was intended for an illumina-  
tion from becoming an obstruction.

Speaking of high prices, the Star  
notifies that one of our local grocery  
stores is advertising a certain brand  
of flour at 85 cents for the twenty-  
four pound sack, which is a lower  
rate than has been on for some time.  
It is likely that flour will be cheaper  
this year, unless the railroads and  
stock gamblers get all the profit on  
our million-bushel wheat crop.

## DREADFUL FATE OF ROBERT WEAVER

Leesburg Commercial: Robert  
Weaver, 17 years of age, son of H.  
T. Weaver, was accidentally killed at  
the Goethe sawmill at Bamboo, seven  
miles west of this city, Saturday  
afternoon. He had just playfully  
spanked a boy with a shingle. The  
boy had gone to his work of piling  
shingles when he heard an unusual  
noise, and looking saw Weaver's  
body revolving around a shaft. The  
belt had broken and wound around  
his arm, binding it tight to the shaft,  
where it was found after the body  
was assembled. Both legs were torn  
off and one thrown considerable dis-  
tance. His neck was also broken  
and his body otherwise mutilated,  
but in spite of all wounds he was still  
gasping when sheets were brought  
from Mr. Goethe's house with which  
to cover the body. The belt was not  
being used and why and how he was  
caught is not known, as none of the  
other men were near at the time.

## Not Patented.

Co-operation is the keynote in suc-  
cessful accident prevention work.  
Many large manufacturers who have  
designed accident prevention devices  
for their own use have not patented  
them in order that others may utilize  
their ideas. A large railroad company  
which has designed all of the accident  
prevention apparatus in use in its ma-  
chine shops is willing to furnish blue-  
prints of the devices to those who de-  
sire to install them in their plants.

## Doing Well.

Bix—"How are you making out on  
your resolution to economize?" Dix—  
"Fine! I've got my running expenses  
slowed down to a walk."

## Rheumatic Throat Is Common Trouble

Should Be Treated in Blood  
To Prevent Recurrence.

There are successful gargles that stop  
soreness in the throat, but to prevent their  
recurrence, the blood must be put in  
order. The best remedy is S. S. S., as it  
influences all the functions of the body to  
neutralize the irritants or waste products  
and to stimulate their excretion through  
the proper channels.

Rheumatic sore throat is a dangerous  
indication, as it means that the blood is  
loaded with more uric acid than the kid-  
neys can excrete, and may thus lead to  
serious general disturbance.

The action of S. S. S. stimulates cellular  
activity. It prevents the accumulation of  
irritants in local spots. It enables the  
arteries to supply quickly the new red  
blood to replace worn-out tissue.

For this reason uric acid that finds the  
throat an easy prey to its breaking-down  
influence, is scattered and eliminated. In  
other words, S. S. S. prevents chronic con-  
ditions by enabling all the mucous linings  
of the body to secrete healthy mucus. Its  
influence is shown in a marked improve-  
ment of the bronchial tubes, whereby the  
hoarseness of voice with thick, grayish ex-  
pectorations is overcome. S. S. S., well  
diluted with water, means a blood bath,  
since it is welcome to any stomach and at  
once gets into the blood.

S. S. S. is free of all minerals and con-  
tains ingredients wonderfully conducive to  
well-balanced health.

You can get it at any drug store, but do  
not accept anything else. There is danger  
in substitutes. S. S. S. is prepared only by  
The Swift Specific Co., 528 Swift Bldg.,  
Atlanta, Ga. Our Medical Dept. will give  
you free instruction by mail on any subject  
of blood disorders. Write today.
